

DECLARATION
AND POWER OF ATTORNEYATTORNEY'S DOCKET NO.
U-Wp-1764

As a below named inventor, I declare that the information given herein is true, that I believe that I am the original, first and sole inventor if only one name is listed at 201 below, or a joint inventor if plural inventors are named below at 201 et seq. of the invention entitled:

3,70-METHOXY-7B-(1,3-DIETHANE-2-CARBOXAMIDO) CEPHALOSPORANIC ACID DERIVATIVES

the attached specification or the specification in application Serial No. filed

(for declaration not accompanying application paper)

that as to the common subject matter of this application, and my earlier United States application(s), if any, described in item 103 below, I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in this country before my invention thereof, or more than one year prior to such earlier application(s), or in public use or on sale in the United States or elsewhere than one year prior to the date of such earlier application(s), that said common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of such earlier application(s) in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve (six if a design) months prior to such earlier application(s) and that no application for patent or inventor's certificate on such common subject matter has been filed by me or my legal representatives or assigns in any country foreign to the United States of America except those identified in item 103 below, if any; that as to any subject matter of this application which is not common to any of said earlier application(s) (non-common subject matter), I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in this country before my invention thereof, or more than one year prior to this application, or in public use or on sale in the United States or elsewhere than one year prior to the date of this application, and that said non-common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve (six if a design) months prior to this application; that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application; and that no application for patent or inventor's certificate on said non-common subject matter has been filed by me or my legal representatives or assigns in any country foreign to the United States of America except those identified in said item 103.
